

## EAS AND IAS SERIES FOR YEAR 12

From January 2012 our new EAS and IAS series will be available for Year 12 students.

The series comprises one External Achievement Standard Workbook (EAS) and eleven Internal Achievement Standard (IAS) booklets which cover the entire NCEA 2 syllabus.

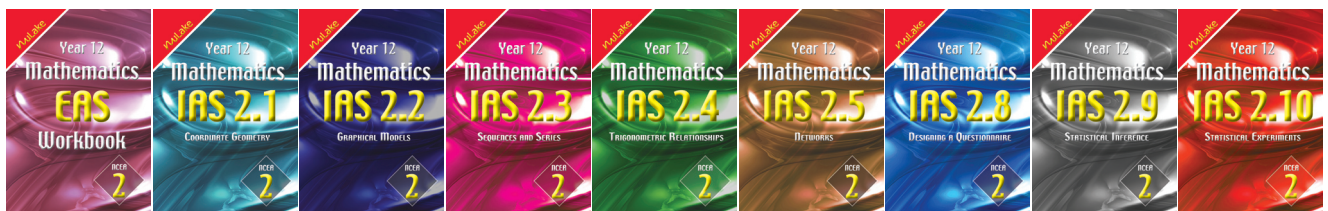

The EAS Year 12 Workbook NCEA 2 (200 pages) includes the three external Achievement Standards (2.6, 2.7, 2.12) and is of a similar style and layout to our current senior workbooks.

It will also be possible to purchase the external Achievement Standards as separate booklets if required.

The IAS Booklets are also in the same workbook style, but cover just one internal Achievement Standard.

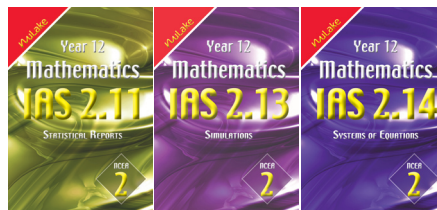

Both the EAS and IAS books include full notes, examples, exercises, answers and at least one practice assessment for each standard.

School price for the EAS Year 12 Workbook will be \$13 (incl. GST) and \$5.00 (incl. GST) for each IAS Booklet.

## EAS AND IAS SERIES FOR YEAR 11

Thank you for the positive feedback we have received with regard our Year 11 EAS and IAS series.

The EAS Year 11 Workbook NCEA 1 and the nine internal Achievement Standard Booklets will be available next year as well as the four external Achievement Standards as separate booklets.

These separate EAS booklets have proved very popular for schools that are doing only one or two of the externals.

### NULAKE EBOOKS

We are currently investigating making our new series of books available in an interactive form on the iPad as well as other similar devices.

We are hoping to be able to offer schools or individuals who are interested a solution in 2013.

## EAS AND IAS SERIES FOR YEAR 13, 2013

Planning is well underway for our Year 13 series of booklets for Calculus and Statistics & Modelling for the new Year 13 Achievement Standards in 2013.
